NOTES RELATED TO DONALD ROSEN

August 17th - Call from Tom Kolin, L.A. Council -

Informed of incident at Camp Arrowhead regarding our Troop 672 and Don Rosen, SM. Sexual child abuse implications.

Was told that the incident had been reported to the San Bernardino County Sheriff's Department.

DFS Dick Newton and DE Rick Lake informed.

The incident had occurred during the prior week and the troop has left camp (returned home) prior to the report being filed.

(See Camp Chaplain's statement)

September - Troop suspended operations on their own.

September 21st - Phone conversation with Deputy Kerfoot - L.A. County Sheriff's Dept.

File had bounced around due to law enforcement jurisdiction questions.

He had just received the file. He indicated that the case would now be investigated.

September 22nd - Phone call to Jim Stainer, L.A. Council -

Asked him to send me his notes on the case. These were received (chaplain's notes) in a letter dated 9/24.

September 25th - Phone call to Troop Commissioner Chairman, Charles Zufall.

Troop operations still suspended.

He is to call prior to resumption of troop meetings.

October 23rd -

- A. Rick Lake heard that the troop had resumed operations under the leadership of two Asst. SMs.
- B. Phoned Zufall - He still feels that Rosen has been falsely accused and said he received word from "a sheriff's deputy" that no charges would be filed and that Rosen had no history of similar incidents on his record "in the computer."

C. Phoned Deputy Kerfoot -

Case had been transferred to the L.A. County Sheriff's office in La Crescenta.

I asked if Rosen had a prior history of child abuse - answer, "He was convicted in 1980 - was placed on probation. Because of a clean probation, the conviction has been "set aside." That case came about due to his employment with the L.A. School District.

D. Phoned David Park in home office -

Explained the above

He advised that I "follow the green book" and suspend registration.

3:15 p.m. - Called Zufall - informed him that Rosen's registration is being suspended.

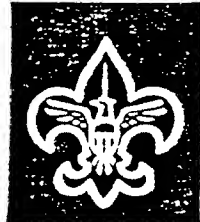

3:30 p.m. - Called Rosen's phone number to arrange meeting to deliver "letter of suspension." Got recording. Left office and home phone numbers.

4:20 p.m. - Talked to Ralph Parker to explain action.

September 26th - Talked to Don Rosen -

Explained action "The BSA procedure in these cases is to suspend a person's registration. If you want to apply for registration in the future, you should write to me stating your version of the facts. A council review committee would be formed at that time." I read the attached letter to him.

Dave Berkus, Council Commissioner, has been involved in the process and supports the decision.

CONF013545

August 16, 1987

On the evening of August 14, 1987, assistant scoutmasters, Joe Toudville, and Wm. Patchen asked me to speak to a boy in their troop who was upset. The boy's name was [REDACTED] from troop 672. When I arrived at the campsite, [REDACTED] was in one of the tents in his campsite upset, and crying. I asked him to come outside, and I spoke to him about what had happened. Apparently, his scoutmaster, Don Rosen, had pulled [REDACTED] pants, and underwear down. During the act, [REDACTED] told Don to stop the what he was doing, which was ignored. In the campsite, there were also present, [REDACTED] and [REDACTED] two troopmates of [REDACTED]. During my talk with [REDACTED], I learned that Don had done acts such as these before. As I found out about this, I also took the chance to talk to the other two boys that were present at the campsite. During the course of the talk with the three boys, it was learned that Mr. Rosen had in one way or another, committed acts such as these in the past to other members of the troop. Among the acts mentioned by the boys in the conference, were being grabbed in the rear, as one of the boys was changing cloaths in his sleeping bag, Mr. Rosen tried to pull the bag away, two boys were walking to the KNO and were followed by Mr. Rosen, the boys also told me that Don had had also stuck his hand in the boy's pants before, and told them that whenever he did he would say, "This is a love touch." In the course of the talk it was found out that Don had done these things to almost all the members of the troop, with the exception of a few of the younger ones. at the end of my talk with the three boys, I spoke to the two assistant scoutmasters who said to each other in my presence, "Don has got to learn to keep his hands to himself. This time he did it to be wrond kid, and that will end up getting him blackballed from scouting." I let them know on the condition of David, and left them.

Donald I. Rosen

Hollywood, CA 90038

Dear Don:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated).

Sincerely,

John R. Lewis
President
